Grow

Grow on a personal and professional level

Benefit from LEAD's inspirational programmes to boost your personal and professional development through the sharing of knowledge, expertise and experiences.

You'll get:
Exposure to new ideas and ways of thinking

Inspirational role models

The opportunity to develop new skills and knowledge

Develop

Develop skills and build valuable business connections while contributing to LEAD

Don't just sit back, get involved in a professional industry group! We are a volunteer-based organization with many openings on our committees.

Differentiate yourself - these tangible and new experiences are the vehicle through which you create your story, your personal culture, or your narrative - the details that are going to differentiate you from others.

Use this experiential learning opportunity and act of service to enhance your career.

Benefit from LEAD Network Events for Members Only

As a member, you will have access to networking activities offered by local Chapters. You will meet with fellow members at the annual LEAD Network Event, rich with interactive sessions, coaches, innovation tour and a dynamic workshop on how to network effectively.

“LEAD Network allows me to build valuable business connections, make new friends and tap into advice and expertise that otherwise I wouldn't be able to get hold of that easily. Establishing a strong network is an investment in yourself and in your business. It takes time, but I believe it can yield great results for years to come personally and professionally.”

Mascha Leijten, Marketing and New Business Development Director at Lamb Weston / Meijer
